Congratulations to

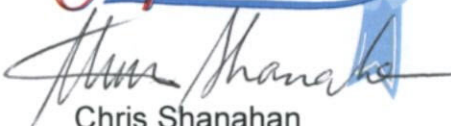

Kalman Manufacturing

On behalf of BD, I am pleased to give your organization the **Gold Award, 2010 Small Business Administration Supplier of the Year**. Your organization was nominated by your customers at BD.

Kalman Manufacturing, Inc., was chosen to receive this award because of its consistent quality, delivery and customer service performance. Your alignment with BD's strategy and delivery of sustainable value has distinguished your organization in a competitive supply environment.

BD recognizes its top performing suppliers to stimulate continuous improvement and influence growth and innovation across its supply base. As BD evolves in the healthcare marketplace, so too, must its supply base. We hope to bring exemplary suppliers like you along with us on this journey.

It is a great opportunity to have representatives from Kalman Manufacturing at this year's Procurement recognition dinner. I am very pleased to congratulate you for your outstanding efforts as a supplier to BD and look forward to Kalman's continued outstanding performance.

Congratulations!
